"Both Meagan and I wanted to just say thank you for all of your amazing work. You made us feel so comfortable and at ease with all of your help. The ceremony was amazing!!! We wanted to apologize for not sticking around and saying this to you in person. You made our day so unbelievably easy and happy!!! Thank you again and again and again."

"I wanted to take a moment and thank you very much for your service on Saturday. Tracy and I both truly enjoyed how you added such a personal touch on the ceremony, and enhanced the wedding for both our guests and us. Tracy and I both felt you put us at ease during the ceremony, and loved that you allowed us to hold hands during the entire ceremony. We absolutely loved the ceremony, and you handled the informality of the wedding in the Muttart very well. I have heard nothing but wonderful feedback on the ceremony from all of our guests! You helped make our wedding day a truly beautiful experience! With many, many thanks"

- Ian & Tracy

"THANK YOU for making our ceremony such a special occasion, Carillon. One day, since starting this process, I was pondering what a pleasant occupation you've chosen - but now I see that it chose you! You are so competent at tending to all the details, which reduced our anxiety and allowed us the freedom to be present for each other and the occasion. Most importantly, you spoke the entire ceremony like it was the first and only time you'd ever done it - just for us. We really did feel special. Thank you so much."

- Gloria & Jeremy

"Carillon, we both wanted to express our appreciation for how special you made our ceremony. It was perfect and everyone felt really involved in our union, which was exactly what we had hoped for. You truly helped make a day for us to remember. Take care and please stay in touch!"
